SPECIAL MESSAGE TO THE PRESIDENT OF THE UNITED STATES OF AMERICA JOE BIDEN

Dear Mr. President,

The invention of hypersonic missiles by the perceived enemies of the United States would be a huge national security concern. The speed with which they are delivered will wreak havoc resulting in breaking the constitutional order of the United States which it had cherished for two centuries. The attack on the U.S. satellite communication facilities in space could be the first strike option against the U.S. It could cut off the President of the U.S from the Nation, from the Military Commanders and the civil government as a result you will not be able to communicate with U.S allies viz., Canada, UK, Europe/ NATO, Israel, Japan, India, Australia, New Zealand, and elsewhere. Your position as Commander-In-Chief of the U.S forces would be meaningless if you are unable to communicate with the Nation. The key allies of the U.S., would lose confidence in your ability to wage a coordinated battle against the perceived enemies. The authoritarian regimes in the World would feel triumphant and forge new strategic alliances.

We, *The Anglo-American Lawyer* Magazine, call upon you to immediately appoint a Presidential Commission to inquire into the efficacy of the U.S constitution and whether it should be suitably revised or amended to deal with the new threats. This will ensure that the security of the strategic allies of the U.S too is guaranteed in case such an eventuality takes place.

God Bless America

OVER TO YOU MR. PRESIDENT
